Program Description

www.shorehavencounseling.com

Shorehaven Counseling Associates offers you all the mental health services needed to progress from Assessment through Long-Term Recovery for Mental Health, behavioral, couple/marital, and family problems, including problems related to substance abuse. We use the latest research and methods recommended by the National Institute on Drug Abuse and the National Institute for Mental Health.

Start Your Recovery at Shorehaven, Complete Your Recovery at Shorehaven. At our attractive new Brown Deer facility, we offer a comprehensive assessment of your needs for mental health, medications, and family services. Then you receive counseling from among the best trained staffs in Milwaukee, counselors with thorough training in both mental health treatment and AODA services.

PROGRAMS include Assessment & Evaluation, Medication Management, Family Counseling, and

Individual Counseling. We treat children as young as 3, adolescents, and adults of all ages. We also offer group treatment for adult survivors of sexual abuse.

WE SERVE anyone who has a problem with alcohol or drugs, mental health problems, or any behavioral or emotional problems. Teens are usually seen individually and with family members. Adults may receive family and/or individual counseling. Women receive gender-sensitive help. We do not discriminate, but accept all clients. We also specialize in serving those who have co-occurring Substance Abuse and Mental Disorders.
